

Libraries that subscribe to the interlibrary loan and cataloging services available through LiLI Unlimited share the costs on a sliding scale basis based on FTE for public, academic or special libraries. School library size is determined by student enrollment. Fees are annual based on a fiscal year beginning July 1st. Participating libraries are invoiced by OCLC, the Online Computer Library Center, at the end of July.

Fees include copy cataloging using OCLC's CatExpress, batchloading services, unlimited interlibrary loan, and OCLC's PromptCat service.
